Torin Tashima
Front-End Web Developer

ttashima7@gmail.com | (360) 600-6395 | torintashima.com | linkedin.com/in/torintashima

Projects

SciVite | Web Developer | January-May 2025 | URL TBD
A virtual interactive tour experience for WSU Vancouver's Life Sciences Building, commissioned by the university for the purpose of recruitment and promotions.
- Collaborated with a team of eight to develop a wireframe, prototype, and final website
- Communicated with other teams to ensure proposed content is included in the wireframe and prototype

Music Theory Lesson: Scales | Front-End Designer | April 2024 | dtc-wsuv.org/ttashima22/final/
An interactive educational website for teaching scales in music.
- Created 15 playable sheet music elements with abc.js framework to ease learning
- Programmed animations for the user interface in JavaScript

Fox vs. Snakes | Web/Game Developer | March-April 2024 | dtc-wsuv.org/ttashima22/game/
A short online platformer game featuring a fox collecting gems and avoiding snakes.
- Programmed game mechanics in JavaScript via the Canvas element
- Designed 18 pixel art sprites and three sounds for the game

RestaurantEZ | UX/UI Designer | March-April 2024
An interactive prototype of a hypothetical restaurant management app.
- Collaborated with a team of three to create a working Figma prototype of the app concept
- Created over 40 individual pages with interactivity features
- Designed logo in Adobe Illustrator for the app concept
